6. Oversubscription

In the event that the school is oversubscribed, the school will, when deciding on applications for admission, apply the following selection criteria in the order listed below to those applications that are received within the timeline for receipt of applications as set out in the school's annual admission notice.

1. Applicants with siblings currently enrolled in the school (including stepsiblings, resident at the same address)

2. Children residing in the parish

3. Children who travel by bus due to the closure of Graigue and Clonamiclon schools shall be entitled to apply relative to the above criteria.

4. Children of parents who are past pupils of the school. If the class is oversubscribed within the application of this particular criterion, then those whose primary residence is furthest from the school will be eliminated first.

5. Children of staff members

6. Random selection (independently verified)

In the event that there are two or more students tied for a place or places in any of the selection criteria categories above (the number of applicants exceeds the number of remaining places), the following arrangements will apply:

Priority will be afforded to the eldest in accordance with the above criteria

Enrolment in ASD Class Criteria

An ASD (Autism Spectrum Disorder) was proposed by our S.E.N.O. (Special Educational Needs Organiser) and approved by NSCE & Board of Management for the school year 2023-2024. At present, Gortnahoe NS will cater for 6 pupils only. This school policy has regard to and is contingent on the funding, resources, services & space available to our school in the future.

Enrolment in ASD Class Criteria

- Registration process begins with a referral from the SENO, North or South Tipperary Intervention Team, a telephone call or a visit from the parents
- Enrolment Application Form, incorporating date of application, date of birth, address and telephone numbers are entered in the Applications file. This enrolment application form must be accompanied by an original birth cert and all other supporting documentation
- Applications will only be processed on the basis of a diagnostic report, a copy of which must be given to the school
- Once this process has been completed the applicant secures a place on the list of applicants to enrol
- Following the closing date for applications (generally the Friday before our February Mid-term break each year) the list of applicants will be reviewed by the Admissions Intake Committee, which will consist of the Principal, Deputy Principal and special class teacher
- Factors taken into consideration are:
 - **Diagnosis** - Child must be diagnosed as being on the Autism Spectrum Disorder DSM IV/V or ICD-10 diagnostic criteria with a recommendation for placement in a special class attached to mainstream
 - **Integration** - Child must be capable of integrating into mainstream, even at a minimal level, at an appropriate age level.
 - **Appropriateness** - Child must be capable of accessing the Primary School curriculum. All reports must be dated within two years of date of application to enrol
 - **Acceptance of Gortnahoe NS. Code of Behaviour-** The parents of the child must accept and agree to the school's code of behaviour and the terms of this policy
 - Once the Admissions Team is happy that the child presents as fulfilling the above, places will be allocated in accordance with the criteria below. The committee may request further information or a meeting with the child in the school setting if necessary
 - When a complete enrolment application form is submitted, the date & time of receipt are noted on the application form. Acknowledgement will be sent, as per policy

Criteria for Admission to our ASD class.

A child will be offered a place when all of the following requirements have been met:

1. A fully completed application form for enrolment and all available reports have been submitted to the school by the parents/guardian.
2. The child must have a multi-disciplinary report with a diagnosis of a qualifying Autism Spectrum Disorder (DSM IV or V or ICD-10) and with a recent recommendation (within two years of the proposed admission date) to attend an ASD class attached to a mainstream school. This diagnosis must be made using a professionally recognised clinical and psychological assessment procedure.
3. The school has an available place within the appropriate ASD class.
4. The placement has been sanctioned by the SENO and in accordance with the following **criteria:**
 1. Applicants who are currently enrolled in the school (including stepsiblings, resident at the same address)
 2. Brothers and sisters, including foster or step siblings, of children currently enrolled in Gortnahoe NS
 3. All children who live within the Parish boundary of Gortnahoe, starting with those living nearest the school. If the class is oversubscribed within the application of this criterion, then the furthest from the school (by road) will be eliminated first as measured by Google Maps using the Eircode
 4. Children of present school staff
 5. All children who are not resident within the Parish boundary of Gortnahoe. Pupils whose home address is closest to the school (by road) as measured by Google Maps using the Eircode will get sanctioned a place first. Should there be only one place available to two children who live the same distance from school, chronological age will be taken into account with the place being offered to the older child.

The first year will be used to:

- Assess the child's educational needs
- Develop a Support Plan to address the identified needs
- Assess whether the child's placement is appropriate

Fulfilling the enrolment criteria does not necessarily ensure enrolment if;

- Necessary resources pertaining to the enrolment are not available
- Sufficient classroom space is not available
- The Admissions Team decide that the school is unable to adequately meet the needs of the child

Taken all of the above into account, and based on the advice of the Admissions Team of Gortnahoe NS, the Board of Management reserves the right of admission.

Waiting lists cease at the end of each school year

In the event of applications for enrolment exceeding, or being expected to exceed, the number of places available (6) the Principal will allocate places using the above criteria and in that order. If the number of applicants under category (1) outnumbers the places available, children will be prioritised and enrolled in order of age, beginning with the eldest.

7. What will not be considered or taken into account

In accordance with section 62(7) (e) of the Education Act, the school will not consider or take into account any of the following in deciding on applications for admission or when placing a student on a waiting list for admission to the school:

- (a) a student's prior attendance at a pre-school or pre-school service, including naíonraí, other than in relation to a student's prior attendance at—
 - (I) an early intervention class, or
 - (II) an early start pre-school, specified in a list published by the Minister from time to time;
- (b) the payment of fees or contributions (howsoever described) to the school;
- (c) a student's academic ability, skills or aptitude;
- (d) the occupation, financial status, academic ability, skills or aptitude of a student's parents;
- (e) a requirement that a student, or his or her parents, attend an interview, open day or other meeting as a condition of admission;
- (f) a student's connection to the school by virtue of a member of his or her family attending or having previously attended the school; other than, in the case of applicants with siblings currently enrolled in the school.
- (g) the date and time on which an application for admission was received by the school,

This is subject to the application being received at any time during the period specified for receiving applications set out in the annual admission notice of the school for the school year concerned.

ASD Unit Discharge Policy

It is school policy to facilitate the discharge of pupils from the unit once they have completed 6th class and/or reached the age of twelve after September 30th in any year.

Discharge from the unit may also happen if a pupil is fully integrated into the mainstream school. A pupil's place in our ASD Unit is reviewed annually. Integration into mainstream takes place under a 'stepping stones' approach – gradually built up over time, taking into consideration the child's ability to cope on a holistic level – socially, emotionally, physically, mentally, academically.

All placements will be reviewed annually in order to ensure that the placement continues to be appropriate for each child.

The parents of the child have accepted and agreed to the terms of the school's relevant behaviour policies and other relevant policies, upon admission to ASD Class, and are bound by same.

If a place is not available in our ASD unit for a pupil in a given school year, parents will be notified of the admission committee's decision in this regard and will be asked to reply within two weeks to confirm if they wish their child to be placed on a 'waiting list' for that school year. This will not automatically happen. If parent do not reply the pupil will not be placed on the ASD Unit waiting list.

Waiting lists cease at the end of each school year and parents have to reapply to be considered for a placement in our Special Class for the following school year

8. Decisions on applications

All decisions on applications for admission to Gortnahoe N.S. will be based on the following:

- Our school's admission policy
- The school's annual admission notice (where applicable)

(Please see [section 14](#) below in relation to applications received outside of the admissions period and [section 15](#) below in relation to applications for places in years other than the intake group.)

Selection criteria that are not included in our school admission policy will not be used to make a decision on an application for a place in our school.

9. Notifying applicants of decisions

Applicants will be informed in writing as to the decision of the school, within the timeline outlined in the annual admissions notice.

If a student is not offered a place in our school, the reasons why they were not offered a place will be communicated in writing to the applicant, including, where applicable, details of the student's ranking against the selection criteria and details of the student's place on the waiting list for the school year concerned.

- (iv) an applicant has failed to comply with the requirements of ‘acceptance of an offer’ as set out in section 10 above.

12. Sharing of Data with other schools

Applicants should be aware that section 66(6) of the Education (Admission to Schools) Act 2018 allows for the sharing of certain information between schools in order to facilitate the efficient admission of students.

13. Waiting list in the event of oversubscription

In the event of there being more applications to the school year concerned than places available, a waiting list of students whose applications for admission to Gortnahoe NS were unsuccessful due to the school being oversubscribed will be compiled and will remain valid for the school year in which admission is being sought.

Placement on the waiting list of Gortnahoe NS is in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this admission policy.

Applicants whose applications are received after the closing date, outlined in the Annual Admission Notice, will be placed at the end of the waiting list in order of the date of receipt of the application.

Offers of any subsequent places that become available for and during the school year in relation to which admission is being sought will be made to those students on the waiting list, in accordance with the order of priority in relation to which the students have been placed on the list.

14. Late Applications

All applications for admission received after the closing date as outlined in the annual admission notice will be considered and decided upon in accordance with our school's admissions policy, the Education Admissions to School Act 2018 and any regulations made under that Act.

Late applicants will be notified of the decision in respect of their application no later than three weeks after the date on which the school received the application. Late applicants will be offered a place if there is place available. In the event that there is no place available, the name of the applicant will be added to the waiting list as set out in Section 13.

15. Procedures for admission of students to other years and during the school year

The procedures of the school in relation to the admission of students who are not already admitted to the school to classes or years other than the school's intake group are as follows:

Applications for enrolment during the school year will be considered subject to school policy, available space and the provision of information concerning attendance and the child's educational progress.

Such applications will be dealt with on a case-by-case basis but will normally only be considered for admission on the first day of each new term unless the applicant is newly resident in the area.

The procedures of the school in relation to the admission of students who are not already admitted to the school, after the commencement of the school year in which admission is sought, are as follows:

17. Arrangements regarding students not attending religious instruction

Our school is of a Catholic ethos and, in keeping with that ethos, children of all or no other faith are welcome to apply to this school.

The following are the school's arrangements for students, where the parent(s)/guardian(s) have requested that the student attend the school without attending religious instruction (etc.) in the school. These arrangements will not result in a reduction in the school day of such students:
